## EGREGORAS THAT ACT IN THE RFQH SYSTEM

Throughout the time of channeling and construction of this course, brothers and sisters have come forward to help me and continue to help me in this work, and I will introduce each of the groups to you. We will do meditations and attunements with all of them.

Many of the egregors must have already introduced themselves to you during your work and studies throughout the course, but now we will dedicate ourselves to connecting with all of them, as we work as a large Family, not with a hierarchical position of importance, as everyone sees us as equals.

We are all Sovereign brothers and sisters of our own experiences and creations, and united in one essence by the Sacred Source of All That Exists.

We are all the Source itself, with individual experiences, experiencing in different forms of life, that have something very important in common: We all came out of the Sacred womb of the Great Mother Sophia, the origin of all creation.

And for this, the hierarchy symbolizes our service, and in no way, the comparison of who is lesser or greater, the Source only sees Unity and love.

Based on this principle, I invite you to remember the light, the Master that each one of you who chose to embark on this Journey is, and to be of Service for the Greater Good of all.

Below are the beloved Egregors that will be with us in this work:

### 1 - THE MASTERS OF THE WHITE BROTHERHOOD:

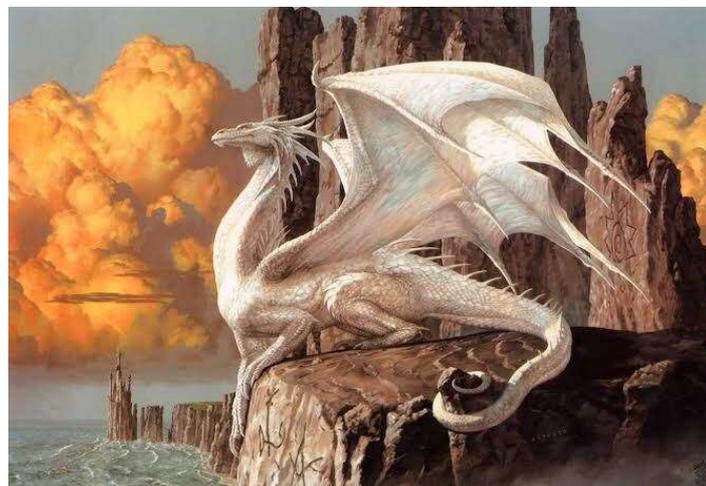

The Great White Brotherhood, in short, are a group of Beings of light, where many of them have had many experiences on Earth (Ascended Masters), and their objective is to work towards the Ascension of Gaia and all humanity, including all the beings that live here, many are the Brothers and Sisters of Light who

are part of this council such as the Elohim, Archangels, Ascended Masters, Galactic Brothers, among others. The Great White Brotherhood is responsible for the affairs of Earth, but there are numerous Brotherhoods that assist other planets, such as the Great Blue Brotherhood of the Pleiades, the Great Pink Brotherhood of Orion, where the objective of the Brotherhoods is to assist in the development of the Star for which the Brotherhood is responsible.

### 2 - SOPHIA'S DRAGON TRIBE:

The Great Brotherhood of Beings of Light who work directly with Divine Mother Sophia, in favor of the awakening of our Sacred Sovereignty and the Sacred Divine Feminine Christ, in complete balance with the Sacred Divine Masculine Christ, in Gaia, us and all Beings who live here. This group is responsible for assisting the

humanity to once again Anchor Its Light Body, Dragon Body, and awaken our Sovereign light and thus assist through our hearts to Anchor the New Golden Age. This group includes: Mother Isis, Mother Mary, Mary Magdalene, Hathor, Kuan Yin, Goddess Green Tara, White Buffalo Woman, The Elohim of creation, Mahavatar Babaji, Jesus, Star Brothers, among others.

### 3 - THE KARMIC COUNCIL:

Group of Beings of Light together with the I Am Presence of all Humanity in Service to assist in the healing and balancing of Earth's Karma, they are also known as the Lords of Karma. They meet 4 times a year, on the last day of each month of March, June, September and December, at the Temple of Precipitation, located in the Kingdom of Light, over the Rocky Mountains of Royal Teton - USA. You can write letters to these Masters requesting assistance.

This group includes: Goddess Kuan Yin, Master Libra, Goddess Pala Athena, Master Saithru, Master Portia, Elohim Vista, Master Nada, among others.

### 4 - INTERGALACTIC COUNCIL:

Council of 12 Beings of Light who, like the other councils mentioned, work with Intent in making decisions for the evolution of the Earth together with the I Am Presence of all Humanity.

We can also contact this council to ask for help in situations that are for the greater good of all. The following are part of this council: Master Marko, Commander Ashtar, Lord Hilarion, Master Saint Germain, Master Jesus, Goddess Kuan Yin, Lord Kuthumi, Master El Morya, Master Serapis Bey, Master Paul the Venuzian, Master Maria Magdalena, Lord Maitreya.

## 5 - GALACTIC FEDERATION AND STAR FAMILIES:

Council of Galaxies of Free Will, which work together with the Fraternities of Light, to assist in balance, evolution and communication for the greater good of all, working together with the Galaxies of Free Will and councils of light, for the creation, maintenance of Stars and matters related to our Star families. They also work to minimize Star Wars. They serve the greater good guided by the Great Consciousness of creation. Today we have

countless families assisting in the Evolution of Gaia, such as: Arcturians, Sirians, Pleadians, Arcturians, Aldebaranians, Venusians, Orians, Avians, Andromedans and beyond.

## 6 - COUNCIL OF STAR MOTHERS:

Council of Star Mothers, who work directly for the ascension of Stars, spreading the Knowledge of the Sacred Feminine and balancing polarities, working directly on the Anchoring of the Christic DNA and teachings of light, and assisting in the Ascension of worlds and moments of great change. One of these councils was presented to me in the 7th star of the Pleiades, the Council of Star Mothers of the Star of Celaeno, they were responsible for the anchoring of the Christic DNA and Teachings of the Sacred Heart in Lemuria and assisting in the changes

of the Crystalline Grid of Earth. They physically travel between Dimensions through Portals created through the Flower of Origin, Holographic Solar Discs and the use of teleportation Technology by our Light Body, Merkaba. Also on our Beloved Planet Gaia, they are known by the Native peoples of various Tribes, as the 13 Elders of the Original Clans. They are also part of the work of Anchoring information in the Akash of Humanity, through points of light in Gaia's Crystalline network.

## 7 - UNICORNS

Beings of light, horses ascended, that act at from the 7th and 9th dimensions and who possess the purity of children and pure hearts, ascended to the Angelic Kingdoms. In the Ages of Lemuria and Atlantis acted directly into light work with us, and returned to Earth from the Harmonic Convergence of 1987, and later in 2012, with the Opening of the

Portals of light, especially the Lyran portals that were fully opened in 2015. They help us bring our Angelic essence back to Earth, blessing our enlightenment and healing the imbalances of our beloved planet. They can appear in different colors. They present themselves to people who are already awake to the service of the greater Good.

## 8 - DRAGONS

Beings of light that manifest themselves from the 4th dimension, out of pure love for us, as they maintain denser vibrations, to be closer to humanity. They are beings of great strength and love, who assist in the creation and repair of worlds, including our Christic body of light, which is also represented as our Dragon body. They assist in the construction of grids.

of light of the Earth, the Elohim can also take the form of enormous bodies of dragons of creation. They assisted in the creation of the Earth and in the construction of the Law lines of our planet, together with the Star brothers coming from the Pleiades Sirius, Arcturus and beyond. They present themselves, just like unicorns, to people who are already awakened to the service of the greater Good. They can present themselves in different colors and elements.

## 9 - WHALES

Beings of light who help heal our planet by emitting codes of light and unconditional love into the Grid

Crystalline from Earth through the Waters, were brought from the Star Sirius, Canopus, Tau Ceti and beyond.

They have codes of pure universal love, and work together with us through the Noosphere (Telepathic Mesh).

of Earth), with the Dolphins, Turtles, Dragons,... and other consciousnesses of light mentioned here to serve the greater good and ascension of Gaia and all Humanity. They tune in together with the dolphins directly with the submerged Crystals of light.

## 10 - DOLPHINS

They are Beings beloved what  
They have the codes of the new human brain, and are here working together with the whales and other consciousnesses of light, sending the ascension codes to the Crystalline Network of the Earth and assisting in the expansion of consciousness and healing of the Earth's imbalances through the waters. They have the intelligence, love, purity and joy of the pure heart of children.

## 11 – TURTLES

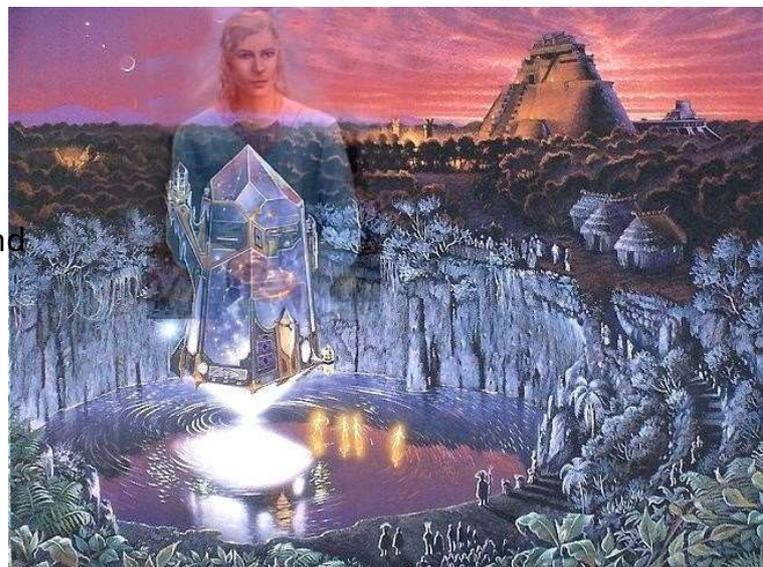

They are Beings of light, who came to the Land of Aspect rise of Jupiter, Jumbay, and bring the codes of Happiness, love and abundance to humanity, work together with the consciences of the dolphins and whales, working no only in the seas, but also on Earth.

They are consciences of the pure love of the Divine Mother, representing in its shell the cycle of lunations, the cycles of nature, where in the center of its shell it has 13 hooves representing the 13 lunations, and around the shell, 28, representing the cycle of 28 days. For this reason, for the ancient natives of Earth, the Original Mother Clan is represented by the Turtle Totem.

## INTRATERRESSIONS / KINGDOM OF AGHARTA

Brothers and sisters who lived in times of Earth Ascension, such as the era of Egypt, Atlantins, Lemuria,... and chose continue here, after the energy drop on our Planet, and they continue to act and serve for the greater good until we have spiritual maturity and awaken our consciousness to tune in and live with them again.

It is a multidimensional kingdom, created by Sanat Kumara, to return to his path of light, a Being of Light from Venus, known as the Ancient of Days or Lord of Patience, to assist humanity that had fallen, and was created by 30 Kumaras, the multidimensional city of Shamballa, a state of high consciousness on our Planet, where the Masters and brothers of light who are acting directly in the Ascension of Gaia and Humanity together with . We can access it to receive initiations, study

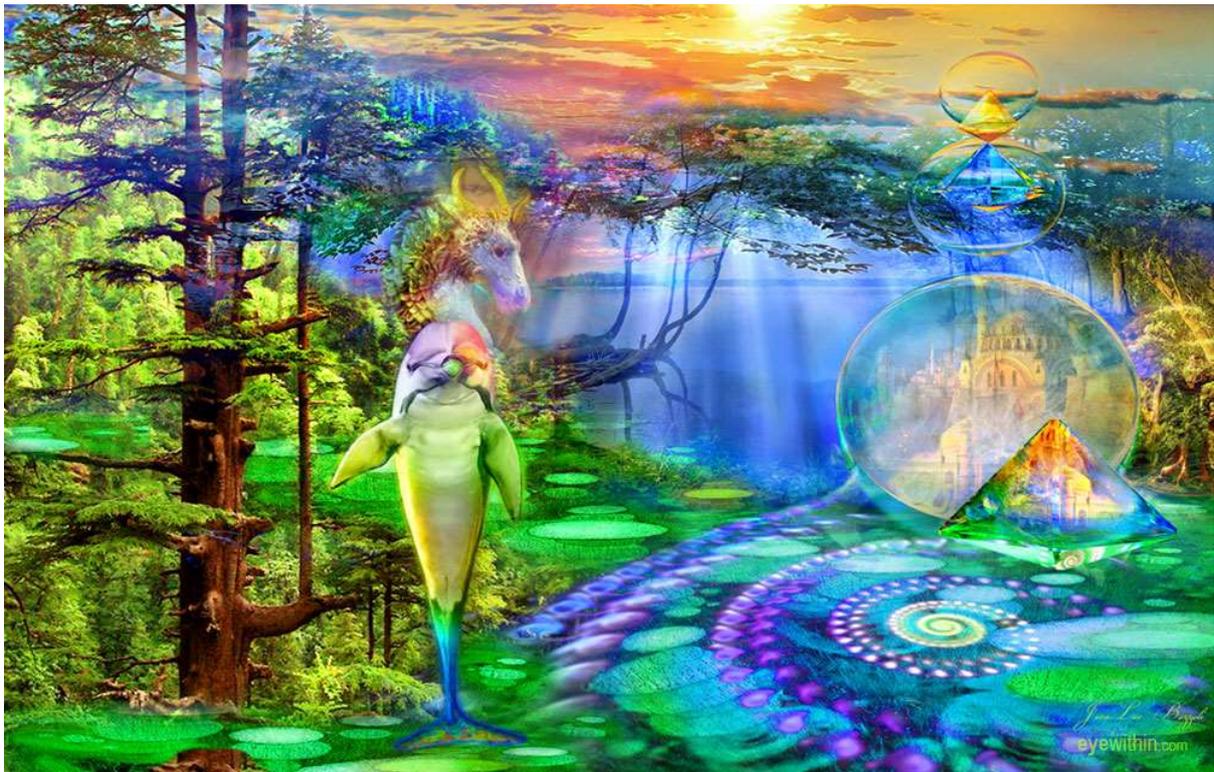

and work for the greater good of Humanity. Shamballa is the greatest focus of light on Earth, which helps to keep the Planet in balance. Thus Masters of Light, Archangels and many other Beings of Light joined this Great Work. Sanat Kumara also founded the Great White Brotherhood together with Lord Gautama (Buddha) and Lord Maitreya (Cosmic Christ). Since 1956, Sanat Kumara passed the Baton of Lord of the World to Lord Gautama.

15 – CRYSTALS

Beings of pure Sacred Geometry and light, which contain the codes and memories of everything that has happened to humanity.
